DIGITAL KEYBOARD YPG-535

The realism and expressiveness of an actual piano with advanced performance and music creation features

Expressive Piano Touch

This natural sounding digital keyboard features a 88-key Graded Soft Touch keyboard for maximum expressive control—heavy in the low end, feathery light in the high, and amazingly responsive all over.

Dynamic Sounds and Styles

Featuring authentic, super-expressive Live! Cool! and Sweet! Voices, this instrument also gives you a full XGlite sound set for covering all bases in MIDI recording applications. The YPG-535 contains 500 realistic instrument voices (including 12 Drum/SFX kits) and 160 dynamic accompaniment Styles.

Other Advanced Features

This sophisticated digital keyboard also provides a USB TO HOST terminal for quick and easy computer connection, plus a USB TO DEVICE terminal for convenient memory stick storage—letting you easily play Standard MIDI file song data. It also features a huge, versatile Music Database with 300 song records for instantly setting entire instrument to match any desired music genre.

DIGITAL KEYBOARD YPG-235

Natural, dynamic voices, plus comprehensive music-making features—your perfect musical partner!

Expressive Piano Touch

This natural sounding digital keyboard features a 76-key Graded Soft Touch keyboard for maximum expressive control—heavy in the low end, feathery light in the high, and amazingly responsive all over.

Dynamic Sounds and Styles

Featuring authentic, super-expressive Cool! and Sweet! Voices, this instrument also contains 489 realistic instrument voices (including 12 Drum/SFX kits) and 160 dynamic accompaniment Styles.

Other Advanced Features

This versatile digital keyboard also contains a huge Music Database with 300 song records for instantly setting entire instrument to match any desired music genre, and features a USB TO HOST terminal for quick and easy computer connection.

Dynamic Sounds and Styles

Enjoy the natural, super-expressive Live!, Cool! and Sweet! Voices, plus 12 Drum/SFX kits and a full XGlite sound set to cover all bases in MIDI recording applications. The instrument also has 160 dynamic accompaniment Styles, as well as 503 realistic instrument voices.

High-quality Digital Effects

The extensive selection of high-quality digital effects, including reverb, chorus, and DSP effects ranging from rotary speaker simulation to distortion, gives you a broad palette in sculpting the sound to your specific needs.

Other Advanced Features

This sophisticated digital piano also provides a USB TO HOST terminal for quick and easy computer connection, plus a USB TO DEVICE terminal for convenient memory stick storage—letting you easily play Standard MIDI file song data. It also features a huge, versatile Music Database with 300 song records for instantly setting entire instrument to match any desired music genre. And for those looking to expand the capabilities, various Songs and Styles can be downloaded from our website (www.yamahamusicsoft.com) to your instrument!

DIGITAL PIANO YPG-635

Grand piano elegance with the cutting-edge technology of a digital piano

Authentic Piano Touch

This remarkable instrument features an 88-key  weighted graded hammer action keyboard with authentic grand piano-like touch—heavier in the low end, lighter in the high, and amazingly responsive!

Optional Pedal Unit
This optional pedal unit for YPG-635 gives you virtually the same level of expressive control as that of actual acoustic grand pianos.
