GARNET RED

Yamaha's Original Air-Seal System

To ensure that the 6-ply Philippine Mahogany shells are perfectly in the round, we utilize the same Air-Seal System that is used on our high-end drums when forming the shells. This special process provides the Rydeen Series' 6-ply Philippine Mahogany shells with outstanding durability. The shells are finished with durable poly coverings and are available in five beautiful colors.

Covering Sheet

Premium Quality Wood Bass Drum Hoop

The bass drum's hoop is made of real wood and is accented with an inlay that is of the same color as the shell to enhance the overall look of the drums.

Yamaha Original Ball Clamp Mount

A pair of Yamaha's famed Ball Clamp Mounts and Tom Holders mounted on the Rydeen's bass drum offer maximum freedom when setting up the drums.

Hardware with Double-Braced Legs

Accompanying the Rydeen series drums is a set of genuine Yamaha hardware designed to deliver outstanding function similar to that found in our high-end hardware. Stands are designed with double-braced legs, which deliver both light weight and excellent durability.

14" & 13" WOOD Snare Drums

The accompanying wood snare drum is available in either 14"x5 1/2" or 13"x5" dimensions.
