YDP-S30 DIGITAL PIANO

Enjoy the grand performance of the elegantly slim Yamaha YDP-S30... the acoustic piano experience for the digital home.

A Touch of Class • The weighted 88-key Graded Hammer Standard (GHS) action faithfully emulates the scaled hammer sizes found in acoustic pianos.

A Heart of Tone • Stereo AWM piano samples deliver an expressive tone that never goes out of tune.

Yamaha Style • The YDP-S30 cabinet design is equal parts form and function. Its graphite-colored key bed is cradled in a traditional rosewood finish...well-suited to both classic and contemporary interiors. And the Soft-Shut key cover also serves as a music rest.

Give Your Feet a Hand • The built-in soft, sostenuto, and damper pedals complete the piano playing experience. The right pedal's half-damper effect provides varying levels of sustain – just like a concert grand.
