ATTENTION

-The USB devices listed above have been tested for compatibility with S90 ES, however Yamaha does not gurantee proper operation of such devices with S90 ES. Yamaha also takes no responsibility for any damage or inconvenience caused by the use of them.

-S90 ES is USB 1.1 compliant. You can also connect USB 2.0 devices to it, however data will be transferred at USB 1.1 speeds.

-The specification of the USB devices listed above is subject to change for certain reasons of manufacturers. Please note that they may not operate properly with S90 ES depending on the changes.

-For detailed specification and information on the USB devices listed above, pleasecontact the manufacturers of them.
